### TOWN LAUNCHES BUY-A-ROCKET FUNDRAISER

#### Support the July 4 Fireworks Display

The Town of Moraga July 4th Celebration is back for 2022 following a two-year hiatus. Following the dog parade, community booths, and concert in the bandshell, the day's festivities will conclude with a spectacular fireworks finale. Once again, we are hoping to recover fireworks costs through the Buy-a-Rocket fundraising campaign.

The 2022 fundraising goal is \$30,000. A minimum donation of \$60.00 per rocket is appreciated; however, any amount would be most welcome. To ensure Moraga doesn't have to eliminate its fireworks display like most other communities in the Bay Area, we hope for a greater level of support each year. Thank you to the community members who donate each year to ensure this patriotic tradition continues for years to come.

Make donation checks payable to: *Town of Moraga* and mail to **Buy-a-Rocket, 2100 Donald Drive Moraga, CA 94556.**

## MORAGA-ORINDA FIRE DISTRICT (MOFD)

### Enforcement of the June 1 Fire Abatement Deadline

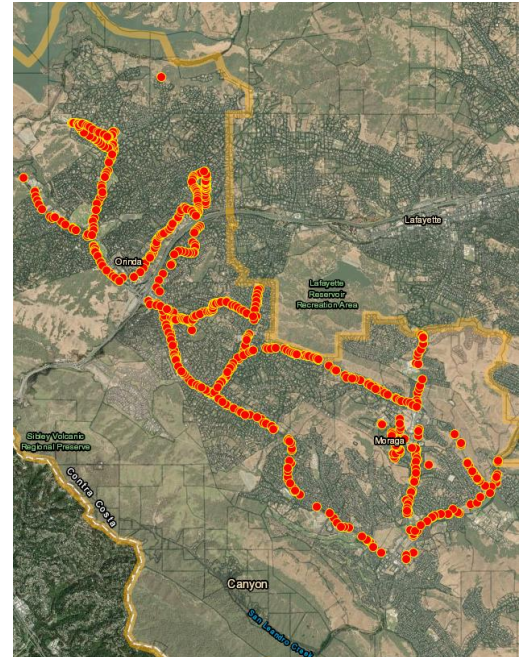

The June 1 annual fire abatement deadline has passed. The Moraga-Orinda Fire District (MOFD) Fire Prevention team has begun inspections. This year's priorities include:

1. Evacuation route roadside clearance
2. Large parcels within the Town limits
3. Public land and buildings
4. High hazard areas identified in the [Community Wildfire Prevention Plan \(CWPP\)](#)
5. Property transfer inspections

MOFD anticipates that inspections will be completed and the associated violation notices of priority areas will be issued by the end of June.

## CANYON ROAD BRIDGE CLOSURE – JUNE 10

Construction on the Canyon Road Bridge resumed on Wednesday, June 1 as final punch list items are being completed. A temporary signal is now in place and traffic is limited to one lane. Please expect delays of 15 minutes or more Monday through Friday between the hours of 8:00 am and 5:00 pm.

**Canyon Road from the Canyon Road Bridge to Camino Pablo will be CLOSED on June 10, 2022 from 9:00 am to 4:00 pm to all traffic, except for emergency vehicles.**

Additional roadway closures may be required to complete remaining punch list items between June 13 to June 17, 2022. More information on additional full day closure will be provided once available and posted on the project website.

## RESIDENTIAL RESURFACING PROJECT

The joint Lafayette, Contra Costa County and Moraga pavement resurfacing project is underway. Currently, the Town's contractor has been installing new Americans with Disabilities Act (ADA) ramps and replacing older ramps that do not comply with current standards. In the coming weeks, the road resurfacing consisting of rubberized cape and microsurfacing work will commence. Properties affected by any upcoming road closures will receive notices by mail or doorhangers. Once the resurfacing schedule is finalized, it will be posted on the [Project website](#).

## MORAGA ROAD AND HACIENDA DRAINAGE PROJECT

Construction has begun on the Moraga Road and Hacienda Drainage Project, after video inspections revealed priority storm drain pipes in need of repairs. The Town's contractor is working to replace the failing Corrugated Metal Pipe (CMP) storm drains crossing the front of the Hacienda parking lot and driveway with new High-Density Polyethylene (HDPE) pipe. An eroded pipe invert adjacent to the Hacienda parking lot is being repaired, and a failing CMP storm drain crossing Moraga Road near Corliss Drive is scheduled to be repaired as part of the project.
