

## ABOUT TOWN NEWSLETTER

**June 17, 2022**

### JUNETEENTH FREEDOM DAY

Juneteenth commemorates the date of June 19, 1865 when enslaved black people in the State of Texas finally learned of their emancipation. This date provides an important opportunity to reflect on the historical significance of this event in our County and our community. Juneteenth is now celebrated as an official Federal holiday. Visit the Contra Costa County website for local events, resources, and book suggestions.

FREEDOM DAY

### DRAFT HOUSING ELEMENT SEEKS COMMUNITY INPUT

Residents and members of the public are invited to join the Planning Commission meeting on Tuesday, June 21 to provide input on the following two Housing Element chapters: Government Constraints Analysis; and Housing Element goals, policies and programs. The input will be incorporated into a working draft Housing Element for the July 5 Planning Commission meeting. The Housing Element provides Moraga with a roadmap for accommodating its projected housing demand and guides future decisions that impact housing for the next eight-year cycle 2023-2031.

[STAFF REPORT](#)

**The working draft Housing Element will include the following six chapters:**

1. An Introduction, explaining the purpose of the Element, the contents of the document, the community engagement process, and the context for creating housing opportunities in Moraga
2. An Evaluation of the 2015 - 2023 Housing Element, including a review of accomplishments and assessment of the Element's effectiveness
3. A Needs Assessment, which analyzes local demographics, economic conditions, housing conditions, and forecasts to determine Moraga's housing needs over the next eight years
4. A Sites Inventory, which identifies sites where housing can be built and demonstrates the Town's capacity to meet the RHNA
5. A Constraints Analysis, which evaluates government and non-government constraints to building housing
6. Goals, Policies, and Programs, which respond to the analysis in the earlier chapters.

**The Housing Element also includes the following three technical appendices:**

- A. Affirmatively Furthering Fair Housing (AFFH) analysis is a state-mandated analysis that analyzes patterns of integration and segregation in the Town and region, and strategies to ensure fair housing opportunities for all residents
- B. Housing Opportunity Site Inventory, include state-mandated data for each site identified as having the potential to meet the RHNA
- C. Survey Findings, which summarizes the findings of the three surveys conducted over the course of the project (Resident Survey, Student Survey, Balancing Act)

The Housing Element must be updated and adopted on a prescribed State schedule every eight years and must be submitted to the State for certification following adoption. State law further requires that a "working draft" of the Housing Element be submitted to the State Department of Housing and Community Development (HCD) prior to its adoption. Moraga must circulate the Working Draft for 30 days before it is submitted to the State, and consider revisions based on public comment. The recommendations from the July 5 Planning Commission meeting will be forwarded to the Town Council for review on July 13, 2022.

## TOWN-WIDE STREET SWEEPING: JUNE 20 - 22

The Town will be conducting street sweeping on all public streets next week. Street sweeping is scheduled for Monday, Tuesday, and Wednesday June 20 to 22.

Residents are asked not to place garbage/recycling containers on the street the day before pick-up and to place garbage/recycling containers only on the morning of service. Residents are also asked not to park on the street on scheduled street sweeping service days to avoid conflict with sweepers. Please note, private streets will not be serviced. Residents can visit the [Town website](#) to find out which day their street is scheduled for service.
