UPDATE FROM MORAGA TOWN STAFF

TOWN COUNCIL ACTIONS ON MAY 10, 2023

BIENNIAL BUDGET

Since its incorporation in 1974, the Town of Moraga has used the annual budget format with a July 1st to June 30th fiscal year. On May 10, 2023, the Town Council approved the resolution to prepare a proposed biennial budget on a recurring basis, commencing with the Fiscal Year 2023-2024 and Fiscal Year 2024-2025 budget cycle. The advantages of a biennial budget process include significant time savings associated with the production of a budget every other year, instead of every year, as well as improved funding and staffing certainty for the departments. The Town staff and Town Council members can focus more on long-range strategic and fiscal planning with the implementation of a biennial budget.

FIVE-YEAR CAPITAL IMPROVEMENT PROGRAM BUDGET

Town Council received a [report](#) on the draft Five-Year Capital Improvement Program (CIP). A five-year CIP enables the Town to have a more strategic approach to meet its infrastructure and other needs. Town Council, as part of separate action approved creating bi-annual Operation and CIP Budget moving forward. The proposed CIP budget allocation includes recommendations prioritizing projects that focus on safety improvements, infrastructure repair and failure avoidance for 1) New Fiscal Year (FY) 2023/24 and 2024-25 CIP projects; 2) Ongoing CIP projects with additional funding requests; and 3) Carryover CIP projects with prior approved budget allocations.

LIGHTING ASSESSMENT DISTRICT ENGINEERING AGREEMENT AND ASSISTANCE

The Town Council awarded a consultant services agreement for Lighting Assessment District Engineering Services to prepare the Annual Engineer's Report for the Town of Moraga Street Lighting Assessment District 1979-1. The California Streets and Highways Code, Section 22620-22631 requires that the Town complete a financial report each fiscal year in order to levy and collect assessments for the Town's publicly owned street lighting and traffic signal costs. The results of the Report will be reviewed for Town Council approval at a future public hearing in order to be listed as a County property tax levy.

BOLLINGER CANYON SPECIAL STUDY AREA

Town Council approved on consent the second reading of the ordinance to create a Rural Residential District with 1 dwelling unit per 5 acres (1/5DUA). The rezoning adopts General Plan designations and zoning regulations that will govern future projects. The area is comprised of 20 parcels and is grouped into 3 separate groups; Parcel Group 1 is mostly existing homes with 1 DUA, Parcel Group 2 is the Harvey Ranch dedicated to open space, and Parcel Group 3 is 270 acres proposed as Rural Residential.
