## Transit Initiatives - County Connection

### Transit Leaders Steer Toward Washington D.C.

The American Public Transportation Association (APTA) Legislative Conference, May 18-20 in Washington D.C., brought out transit leaders across the nation, giving them an opportunity to meet face-to-face with congressional leaders including Mark DeSaulnier (pictured), Eric Swalwell, and Rick Larsen about issues impacting public transit here at home in the East Bay. Representing us were board members and staff from County Connection, Tri Delta Transit, and Wheels, all there to discuss transit initiatives and advocate for secured funding for community projects.
