988 LIFELINE IS NOW LIVE

988 is now active across the United States. This new, shorter phone number will make it easier for people to remember and access mental health crisis services including:

- Thoughts of suicide
- Mental health or substance use crisis, or
- Any other kind of emotional distress

988 has been designated as the new three-digit dialing code that will route callers to the National Suicide Prevention Lifeline (now known as the 988 Suicide & Crisis Lifeline).

988 SUICIDE & CRISIS
LIFELINE

24/7 CALL, TEXT, CHAT

When people call, text, or chat 988, they will be connected to a trained counselor at a crisis center based on the area code of their phone. In Contra Costa County, calls are being routed to the Contra Costa Crisis Center. Trained counselors will listen, understand how their problems are affecting them, provide support, and connect them to resources if necessary.

The previous Lifeline phone number (1-800-273-8255) will also always remain available to people in emotional distress or suicidal crisis.
