## PREAMBLE

We, the undersigned, duly appointed representatives of the Town of Moraga (hereinafter referred to as "Town") and the Moraga Employees Association, a recognized employee organization (hereinafter referred to as "MEA") having met and negotiated in good faith, under the authority of the Meyers-Milias Brown Act, do hereby jointly prepare the following written Memorandum of Understanding.

It is therefore agreed as follows:

## ARTICLE I - GENERAL PROVISIONS

### 1.1 Recognition

The job classifications to be included in this bargaining unit are as follows:

Job classifications may change if the Town finds it necessary for financial or program needs.

### 1.2 Non-Discrimination

Any employee who believes he/she is the victim of illegal discrimination (such as discrimination on the basis of race, creed, religion, sex, national origin, disability, or age) shall immediately notify the Town Manager who shall conduct an investigation of the matter and notify the employee of the results of that investigation. If the employee is not satisfied with the Town Manager's determination, the employee may request that the

situation be reviewed in closed session by the Town Council. Employees also may file a complaint with the appropriate state or federal agency. No other contractual appeals procedure is provided for discrimination complaints.

### 1.3 Relationship of MOU and Town Personnel Rules

The Town Personnel Rules apply to employees in this bargaining unit, and those rules may be modified in the future. To the extent that there is any conflict between the Personnel Rules and this MOU, the provisions of this MOU prevail.

## **ARTICLE II - DIRECT PAY FOR SERVICES**

### 2.1 Salary Adjustments

a) Effective June 29, 2025 (pay-period inclusive of July 1, 2025), the Town will implement the following salary adjustments to each classification:

The revised 2025-26 salary table is attached to this Agreement as Appendix A.

b) Effective June 28, 2026, the Town will implement a 3.5% Cost of Living-Adjustment (COLA) to base salary. The revised 2026-27 salary table is attached to this Agreement as Appendix A.

c) Effective June 27, 2027, the Town will implement a 3.5% COLA to base salary. The revised 2027-28 salary table is attached to this Agreement as Appendix A.

### 2.2 Off-Salary Schedule

a) In July 2025, each full-time unit employee will receive a one-time payment of \$3,000.

Unit employees who are less than full time will receive a prorated payment based on their regular scheduled hours (for example, an employee regularly scheduled to work 20 hour/week (or 0.50 FTE) will receive a one-time payment of \$1,500). These payments are not reportable to CalPERS, consistent with the CalPERS "Off-Salary Schedule Pay" Circular Letter dated October 4, 2023.

- b) Employees will have the option to contribute this payment to a Town-Sponsored Deferred Compensation Account.

#### 2.3. Salary Schedule Placement and Movement

The rules regarding initial salary schedule placement, minimum promotional salary increases, and step movement are set forth in the Town Personnel Rules, Chapter 8 (Compensation).

#### 2.4 Announcement of Vacant Positions

The requirements for announcing vacant positions are set forth in the Town Personnel Rules - Chapter 3, Recruitment and Examination.

### **ARTICLE III- HOURS AND OVERTIME**

#### 3.1 Work Week

The regular scheduled work hours for each position covered by this Agreement are set by the applicable Department Head (in consultation with the Town Manager) to meet the operational needs of the Town and may be changed on an "as needed" basis. Employees will be notified as soon as practicable of any such change.

Generally, the regular work schedule shall be a "9/80" schedule where employees work eighty (80) hours within nine (9) days rather than eighty (80) hours within ten (10) days.

#### 3.2 Overtime

Overtime work may be required of any employee in order to meet special or unusual needs of service beneficial to the Town and community. Overtime is defined as the number of hours worked in excess of 8 hours in one day or in excess of 40 hours in one week.

Employees on a "9/80" work schedule are scheduled to work eight 9-hour days, one 8-hour day, and have one day off every two weeks. For employees regularly assigned to a "9/80" work schedule, overtime is defined as work in excess of nine hours on regularly scheduled 9-hour days, work in excess of eight hours on regularly assigned 8-hour days, and work in excess of 40 hours in a defined workweek. The scheduled one day off every two weeks shall be consistent from week to week. Employees cannot change or flex their scheduled day off unless the change is intended to be permanent and is approved by the Town. For purposes of determining the 40 hour work week (for purposes of overtime), the 9/80 work schedule workweek begins four hours into the employee's eight hour shift.

Any work time in paid status shall be counted toward eligibility for overtime.

### 3.3 Compensation for Overtime Work/Compensatory Time Off

Overtime, as defined above, shall be compensated at the rate of time and one-half of the employee's regular rate of pay. However, forced overtime work performed on the seventh consecutive date of work shall be paid at double the regular rate of pay. Hours worked are to be reported on the timesheet and calculations are to be made by the Administrative Services Department at the time of payroll processing.

Employees may accrue up to sixty (60) hours of Compensatory Time Off (CTO). Once the employee has reached the 60-hour cap, the Town has the discretion to pay out subsequent overtime in cash or permit an employee to accrue additional hours of CTO. Such discretion shall be exercised by the Town Manager.

Employees will be allowed to cash out up to a total of sixty (60) hours of compensatory leave each fiscal year. Compensatory leave can be cashed out in June and December consistent with the process outlined in the Town's Personnel Rules.

### 3.4 Assignment of Overtime

The Town will provide a minimum of twenty-four (24) hours advance notice of available overtime to be worked whenever possible. Overtime assignments shall attempt to be distributed among qualified employees on a voluntary and equitable basis among employees performing this kind of work during regular working hours. Town retains the ability to assign overtime work if no employee volunteers to work the shift or time required.

An employee eligible to receive payment for overtime (as defined above) who is (a) called to work on a day off, or (b) who is called back to work after the regular shift working day has been completed and has left the employment site, or (c) who is required to make a job related court appearance, shall be paid a minimum of two (2) hours at time and one-half of that employee's regular hourly rate of pay.

### 3.5 Weekend Work

Whenever the Town determines that the regular work schedule of the Parks and Public Works employees must be temporarily changed to require work on weekends, other than overtime work, the following criteria shall be used:

- a) An annual schedule will be prepared as early in the calendar year as possible showing the probable weekends which need to be worked by Parks and Public Works employees.
- b) Employees will be able to voluntarily sign up for the available weekend work, as long as the available weekends are shared reasonably among all available employees and approved by the Department Head.
- c) For weekend days not posted on the annual schedule, the Town will provide as much

advance notice of the schedule change as possible.

- d) For weekend work referred to in this article, the definition of "overtime" is the same as elsewhere in this article.

### **3.6 Call Out/On Call Pay**

In the event a Public Works or Parks Maintenance employee is called to respond to an emergency call out or other service on an emergency or urgent basis, the hours actually worked while on On Call/Call Out will be paid at one and one-half (1.5) times the regular hourly rate, with a minimum two (2) hours paid work for each emergency call out or other service request handled remotely (e.g., over the phone) and minimum four (4) hours paid work for each emergency call out or other service request that requires the employee to be physically present at the call out site or within the Town. Travel time (from/to home) up to thirty (30) minutes each way is included within the minimum four (4) hours. It is at the employee's discretion to accrue compensated time hours in lieu of payment for overtime.

### **3.7 Acting/Out-of-Class Pay**

The rules regarding Acting/Out-of-Class pay are set forth in Personnel Rules - Chapter 8, Compensation.

### **3.8 Meal Periods and Rest Periods**

The rules regarding meal and rest periods are set forth in Personnel Rules - Chapter 7, Hours of Work, Attendance and Overtime.

## **ARTICLE IV - LEAVES OF ABSENCE**

### **4.1 Vacation Leave**

All regular and probationary employees are entitled to vacation time off work with pay based on years of service. An employee shall accrue vacation leave from the date of the employee's initial appointment with the town. Regular part-time employees shall earn vacation on a pro-rated basis on the same formula as regular full-time employees.

#### **a) Vacation Accrual Rates**

- i. Employees hired on or after July 1, 2017.

A regular or probationary full-time employee hired on or after July 1, 2017 shall earn 3.08 hours of vacation leave per pay period (80 hours per year). Subsequently, an additional 0.31 hours per pay period (8 hours per year) shall be earned per year of service, up to a maximum of 200 hours per year.

<b>Years of Service</b>	<b>Accrual Hours/Year</b>
0-1	80
Every additional year	Additional 8 hours
<b>Maximum Accrual Hours/Year</b>	<b>200</b>

ii. Employees hired before July 1, 2017.

A regular full-time employees shall earn 4.61 hours of vacation leave per pay period (120 hours per year). Subsequently, an additional 0.31 hours per pay period (8 hours per year) shall be earned per year of service, up to a maximum of 200 hours per year.

b) Additional Vacation Accrual

Town Manager may authorize higher vacation accrual for newly hired employees based on prior years of local agency experience, difficulty in recruiting and retaining employees, and consideration of internal equity and fairness.

If a higher vacation accrual is granted to a newly hired employee, the additional annual vacation accrual of 8 hours shall begin once the employee reaches the number of employment years equivalent to the vacation accrual calculated according to Section 4.1A above. For example, if a new employee is granted 120 hours of vacation annually, they would not start earning an additional 8 hours of additional vacation until year 6.

c) Maximum Vacation Accrued Balances

The maximum vacation balance which may be accumulated is 280 hours. When an employee reaches the maximum balance, no additional earned vacation is earned or accrued until the balance falls below 280 hours.

Employees are encouraged to take annual vacation leave equal to time accrued.

d) Vacation Cash Out

Employees may request to cash-out up to 60 hours of accrued vacation leave each fiscal year so long as the employee maintains a 120 hour vacation accrual minimum after the vacation accrual cash-out and the employee is in "good standing" within the past 12 months as verified by the employee's supervisor.

i. As required by the Internal Revenue Service, employees who wish to cash-out

leave are required to pre-elect annual leave cash-out amounts in the calendar year prior. Employees who wish to sell-back leave must submit an annual Leave Sell-Back irrevocable election form by December 15 of the prior year to sell-back leave in the upcoming year. Sell-back requests will be processed twice annually, the last pay period of the fiscal year and the last pay period of the calendar year. For example, to sell-back leave in 2023, employees must complete a Leave Sell-Back irrevocable election form by December 15, 2022 and indicate how many hours they want to sell back in June 2023 and how many hours they want to sell back in December 2023 for a total not to exceed 60 hours.

e) Vacation Accrual for Permanent Part-Time Employees

An employee who is employed on a permanent part-time basis shall accrue vacation on a prorated basis commensurate with their work time (e.g., a half time employee would accrue vacation at half the full time rate).

f) Interruption of Leave

See Personnel Rules - Chapter 6, Holidays, Vacation and Leaves of Absence.

g) General

In the event it becomes necessary to call an employee back to work from a scheduled vacation, the employee shall be credited with the unused vacation hours and shall have the opportunity to take such remaining vacation leave at a time of the employee's choosing with the Department Head's approval.

#### 4.2 Sick Leave - Accrual Rate and Use

An employee shall accrue 8 hours of sick leave per month. Part-time employees shall accrue sick leave on a prorated basis.

MEA employees may accrue unlimited sick leave.

An employee who is unable to perform his/her duties because of illness, injury, pregnancy, or who is required to take care of an immediate family member because the family member is ill, injured or pregnant, and cannot reasonably be expected to take care of him/herself, shall be entitled to sick leave.

The maximum number of sick leave hours per year which a member may use in connection with the care of a family member shall not exceed 48.

In cases of suspected sick leave abuse, the Town may require the employee to provide medical verification of his/her illness or that of a member of the immediate family.

#### 4.3 Family and Medical Leave/ Bereavement Leave

Family and Medical Leave shall be provided to eligible employees in accordance with federal and state law.

Employees shall be granted a maximum of three (3) days leave for each such incident relating to matters arising out of a major family illness or death of any immediate family member in California. In cases where the death of an immediate family member is outside California, the employee shall be granted a maximum of five (5) days leave. Employees requiring more than the leaves set forth in this section are able to utilize vacation and/or other available leave for such purposes, subject to reasonable notice and the operational needs of the department, as determined by the Department Head. "Immediate Family" is defined as wife, husband, domestic partner, son, daughter, mother, father, brother, or sister of employee, parent of a spouse or domestic partner, and close blood relatives or close relatives living in the member's household.

#### **4.4 Court Appearances and Jury Duty**

The rules regarding court appearances and jury duty leave are set forth in Personnel Rules - Chapter 9, Holidays, Vacation and Leaves of Absence.

#### **4.5 Leave of Absence Without Pay**

The rules regarding unpaid leaves of absence are set forth in Personnel Rules - Chapter 9, Holidays, Vacation and Leaves of Absence.

### **ARTICLE V - HEALTH AND SAFETY**

The Town will furnish the employees with all safety equipment prescribed for the performance, duties, functions and services assigned. Failure to use safety equipment as prescribed constitutes grounds for disciplinary action, up to and including termination.

### **ARTICLE VI - GRIEVANCE PROCEDURE**

#### **6.1 Definitions**

- a) **Grievance.** A grievance is a claimed violation, misapplication, misinterpretation of a specific provision of this Agreement which adversely affects the grievant. The reasonable exercise or lack of exercise of Town rights shall not be grievable. Performance Evaluations shall not be grievable above Formal Level 2 (see 6.2.B below). Disciplinary action is not within the definition of a "grievance."
- b) **Grievant.** A grievant is an employee in the unit who is filing a grievance as defined above. Alleged violations, misapplication, or misinterpretations which affect more than one employee in a substantially similar manner may be consolidated at the discretion of management as a group grievance and shall thereafter be represented

by a single grievant.

- c) Day. Unless otherwise defined, for the purposes of this Article, "day" shall mean a day in which the Town's main administrative office is open for business.

## 6.2 Process

- a) Informal Resolution. Within five (5) days from the event giving rise to a grievance or from the date the employee could reasonably have been expected to have had knowledge of such event, the grievant shall orally discuss his/her grievance with his/her immediate supervisor. A supervisor shall have three (3) days to give an answer to the employee.

### b) Formal Levels

- i. Level 1: If a grievant is not satisfied with the resolution proposed at the informal level, he/she may within five (5) days of such receipt of such answer file a formal written grievance with his/her Supervisor containing a statement describing the grievance, the section of this Agreement allegedly violated, and remedy requested. The Supervisor shall, within five (5) days have a meeting with the grievant and within ten (10) days thereafter give a written answer to the grievant on the form provided.
- ii. Level 2: If the grievant is not satisfied with the written answer from the Supervisor, the grievant may, within five (5) days from the receipt of such answer, file a written appeal to the Town Manager. Within ten (10) days of receipt of the written appeal, the Town Manager or his/her designee, shall investigate the grievance which may include a meeting with the concerned parties and, thereafter give written answer to the grievant within ten (10) days. The decision of the Town Manager shall be final.

## 6.3 General Provisions

- a) If a grievant fails to carry his/her grievance forward to the next level within the prescribed time period, the grievance shall be considered settled based upon the decision rendered at the most recent step utilized.
- b) If a supervisor or manager fails to respond with an answer within the given time period, the grievant may appeal his/her grievance to the next higher level as if a negative response had been received on the final day for the decision.
- c) The grievant may be represented by a person of his/her choice at any formal level of this procedure.
- d) Time limits and formal levels may be waived by mutual written consent of the parties.

- e) Proof of service shall be accomplished by certified mail or personal service.
- f) Preambles and Purpose Clauses shall not be grievable.

## **ARTICLE VII - LAYOFFS & RESIGNATIONS**

### **7.1 Layoffs**

Whenever there is a lack of work, a lack of funds or change in program of services requiring reduction in personnel in a department or division of the Town government, the required layoffs shall be made in accordance with the following procedures:

Employees shall be laid off in inverse order of their length of service within the affected job classification.

Length of service for the purpose of this Section shall mean an employee's continuous uninterrupted service within a classification from the effective date of his/her appointment as a probationary or part-time employee in that classification.

An interruption in length of service within a classification shall occur as a result of any one of the following:

1. Discharge for cause;
2. Voluntary resignation;
3. Retirement for service or disability;
4. Absence from work for thirty-six (36) consecutive months because of layoff;
5. Failure to return from layoff;
6. Failure to return from an approved leave of absence upon the date specified for return, at the time said approval was granted.

Acting appointments to a classification shall not be construed as service in such classification unless there was no break in service between such acting appointment and appointment to probationary or part-time status.

Whenever the effective date of appointment to a classification is the same for two or more employees, the original date of hire as a probationary or part-time employee with the Town shall be used to determine which employee has greater length of service within the classification. The employee with the earlier original date of hire with the Town shall be considered to have the greater length of service within the classification.

In the event two or more employees have exactly the same length of service, the Town Manager shall determine which employee shall be laid off on the basis of efficiency and effectiveness.

Within each affected job classification the order of layoff shall be as follows:

1. All temporary and seasonal employees.
2. Probationary employees.
3. Regular employees by inverse order of seniority.

As an alternative to layoff, an employee with regular, probationary or part-time status who is displaced from his/her classification in accordance with the procedures provided in paragraphs (A) and (8) of this Section shall be allowed to bump to a classification at the same salary level or to a classification at the next lower salary level provided the classification to which she/he bumps is one in which he/she has previously served in a regular or part-time status, and where his/her original date of appointment to said classification predates that of at least one employee presently serving therein, and where he or she meets the minimum qualifications and certifications for the position.

As an exception to the foregoing, an employee may bump into a classification in which he/she has previously served and where his/her original date of appointment to that classification predate that of at least one employee presently serving therein and where said classification carries a higher salary level only if such higher salary level resulted solely from the application of an equity salary adjustment.

Bumping rights afforded an employee pursuant to this Section shall include access to those classifications in which he has previously served but which may since have been re-titled but where, as determined by the Town, no substantive changes have been made in the duties of qualifications for the classification(s) in question.

Prior to employees being laid off the Town shall provide the MEA and affected employees with status registers for all affected classifications within the representation unit. Said lists shall include the names of all present employees who have held these classifications and their appointment dates thereto. An employee eligible to bump into another classification pursuant to this paragraph (C) shall have five (5) calendar days after notice of assignment by the Town Manager to a position in that classification in which to accept such assignment. If the affected employee fails to accept such assignment within said five (5) calendar day period, he/she shall be laid off. An employee so assigned shall be placed at a salary step in the range for the classification to which he/she bumps closest to the employee's former rate of pay but which does not exceed the salary step held by the employee in the classification from which he was displaced.

When employees are scheduled for layoff by the Town, the affected employee and the MEA will be given at least two (2) weeks' notice.

The Town shall attempt, in so far as is practical in light of operational and budgetary needs, to accomplish any contemplated reduction in personnel by attrition rather than by layoff.

## 7.2 Rights of Return

As position vacancies occur, employees in layoff status and those occupying positions to which they have bumped shall be afforded return rights in the order of their length of service in the classification(s) in which such vacancies occur.

An employee shall have ten (10) calendar days from the mailing by certified mail of a "notice of return" to his/her address of record on file in the Personnel Department to indicate acceptance of such return and his agreement to report for work as specified in the notice.

Employees who are laid off will have their accrued vacation paid out to them at the time of the layoff. Employees in layoff status shall retain all credited sick leave earned but unused at the time of layoff. An employee shall not earn sick leave credit while in layoff status. Upon an employee's return from layoff he/she shall again commence to earn vacation and sick leave credit. The accrual rate shall be based upon his/her continuous uninterrupted service with the Town ·including time spent in layoff status.

The Town shall place the name of an employee in layoff status on two lists, which will exist and be used for a period of 18 months. The primary list shall be for the classification they held at the time the layoff occurred.

They shall also be placed on reemployment registers for classifications in which they have previously served, hereinafter referred to as "secondary" registers.

If an employee fails to respond to such notice of return within the prescribed time period or declines to return from layoff to a secondary register classification his/her name shall be removed from said secondary register and he/she shall no longer be eligible for recall to that classification.

If an employee fails to respond to notice of return within the prescribed time period or declines return to his primary register classification he/she will be considered to have voluntarily resigned their employment with the Town.

Full-time employees who have bumped to a part-time position, or who have been recalled from layoff to a part-time position, shall be afforded an opportunity to return to full-time status as position openings become available. Such right of return shall be subject to the "Length-of-service" and "service within classification" requirements in this Memorandum of Understanding.

Employees who request and are granted voluntary demotion to a vacant position in lieu of layoff shall be afforded the same rights of return as employees who have exercised bumping rights.

An employee who, in lieu of layoff, was transferred to another position within the same classification shall be notified of an opening in his/her previous position and shall be afforded an opportunity to apply for reinstatement to that position.

## **ARTICLE VIII - MISCELLANEOUS**

#### 8.1 Education and Training

Rules regarding reimbursement for education and training expenses are set forth in Personnel Rules - Chapter 10, Benefits.

#### 8.3 Uniforms

Positions required to wear a uniform during the course of the workday shall receive a uniform allowance of \$850 per fiscal year paid in two equal reimbursements of up to \$425 each. Employees receiving a uniform allowance are required to purchase uniforms as specified by the Town.

#### 8.4 Employee Use of Personal Automobile for Town Business

The rules regarding reimbursement for use of personal automobiles for Town business are set forth in Personnel Rules - Chapter 10, Benefits

### **ARTICLE IX - MEDICAL, DENTAL, VISION & LIFE INSURANCE COVERAGE**

#### 9.1 Medical Insurance

The Town will provide at least three (3) options for medical insurance coverage, including the Kaiser HMO - Gold level plan, for employees and their eligible dependents (employee, employee/spouse, employee/child(ren) or employee/family) through the term of this agreement.

- a) Employer Contribution - The Town will contribute monthly toward the medical insurance premium for medical coverage for each employee and eligible dependents up to a maximum of the Kaiser HMO - Gold level plan for the 2025 plan year.
- b) Employee Contribution - If an employee chooses a plan other than the Kaiser HMO - Gold level plan, the Town agrees to contribute the value of the full monthly premium cost for the employee and eligible dependents as established under the Kaiser HMO - Gold level plan, for the 2025 plan year, toward the premium of one of the other

medical plan options as selected by the employee. If the monthly premium for the plan option and coverage level selected by the employee exceeds the Town's monthly contribution as described in paragraph 9.1.A above for the same coverage level (i.e., employee, employee/spouse, employee child(ren), or employee/family), the employee shall pay the balance of the premium cost through a pre-tax payroll deduction.

In the event the Kaiser HMO - Gold level plan is discontinued or no longer available, the Town will offer a mutually agreeable plan equivalent to the Kaiser HMO-Gold level.

- c) Change in Premium Rates - For the term of this agreement, the Town agrees to contribute up to the monthly premium rates established under the Kaiser HMO - Gold level plan for the January 1, 2025 - December 31, 2025 plan year for medical insurance coverage for each employee and eligible dependents. For each subsequent plan year, the Town's contribution shall include the amount of any premium increases for the Kaiser HMO - Gold level plan not to exceed twelve percent (12%) for each employee and their eligible dependents. Any increase exceeding twelve percent (12%) and less than twenty (20%) will be paid by the employee. If the Kaiser HMO-Gold level plan premium increase is twenty percent (20%) or greater, the Town and MEA agree to reopen this section 9.1 of the MOU and meet and confer.
- d) Regular (Permanent) Part-time Employees - The Town will pay pro-rated amounts for medical insurance coverage for regular (permanent) part-time employees who are scheduled to work at least 60 but less than 80 hours in a two-week period, or at least 1,560 hours but less than the 2080 hours per year.
- e) Medical Insurance Opt-Out - With proof of alternative medical insurance, an employee may opt to receive \$600 per month as cash in-lieu of medical coverage or as a contribution into the individual's deferred compensation (Mission Square 457) account in lieu of medical benefits.

## 9.2 Dental Insurance

The Town agrees to pay the entire premium for the level of coverage selected by the bargaining unit member (e.g., employee only, employee plus one or family) for a Dental Plan of the Town's choice, which has substantially the same benefits as the dental plan in effect on June 30, 2025.

For permanent part-time employees, who are regularly scheduled to work at least 60 hours but less than 80 hours in a two-week period, or at least 1,560 hours but less than 2080 hours per year, the Town agrees to pay a prorated share of the premium for which the employee is eligible and the employee will pay the premium amounts not covered by the Town's contribution.

## 9.3 Vision Insurance
