

Tell us what safety improvements you want to see!

Place a sticker in these boxes to vote for the **top 3** roadway and intersection improvements you want to see!

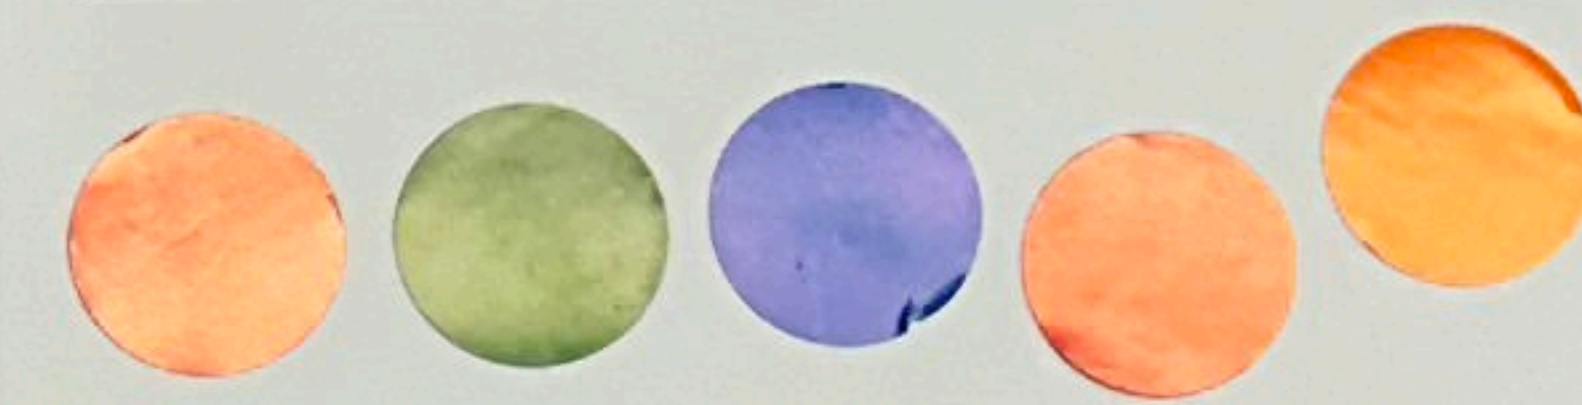

Buffered Bike Lane

Bus Stop Shelter and Trees

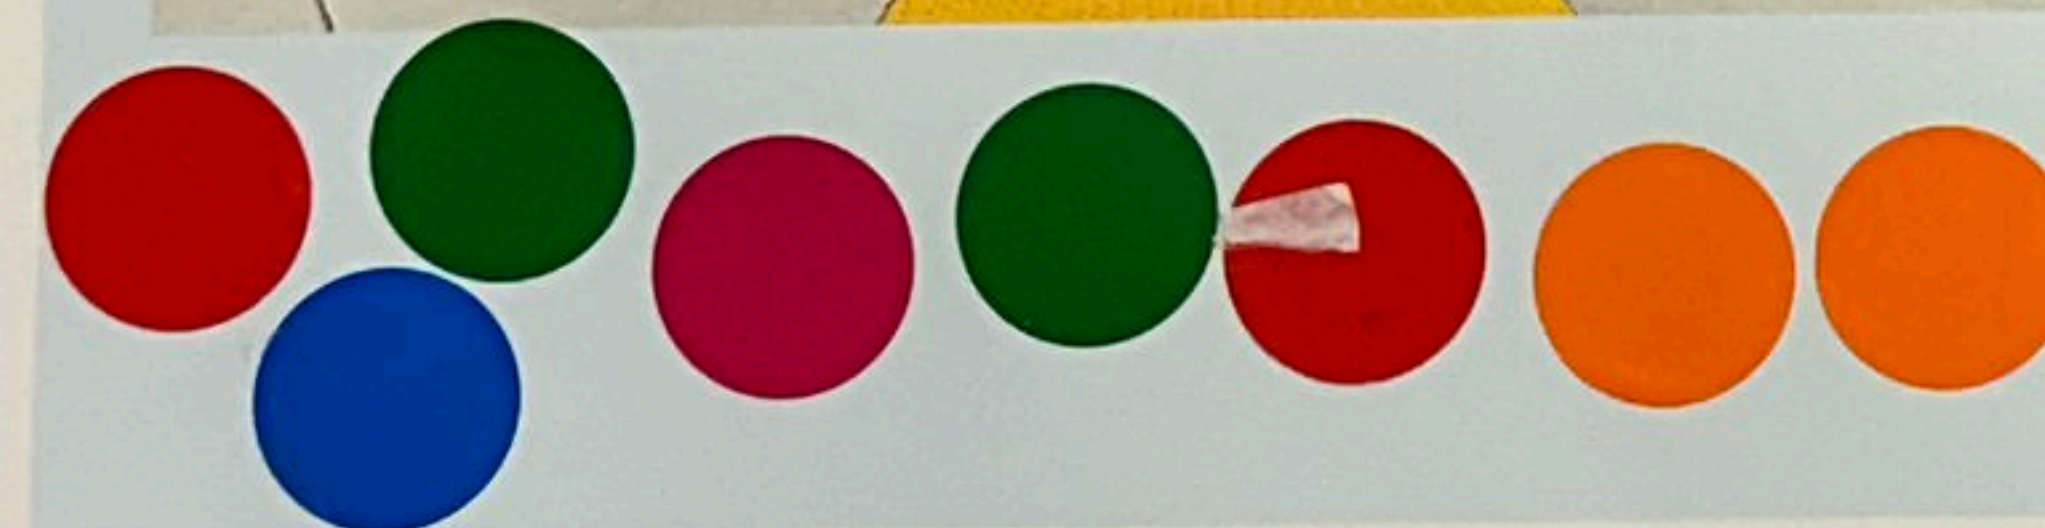

Curb Extension and Sidewalk Connections

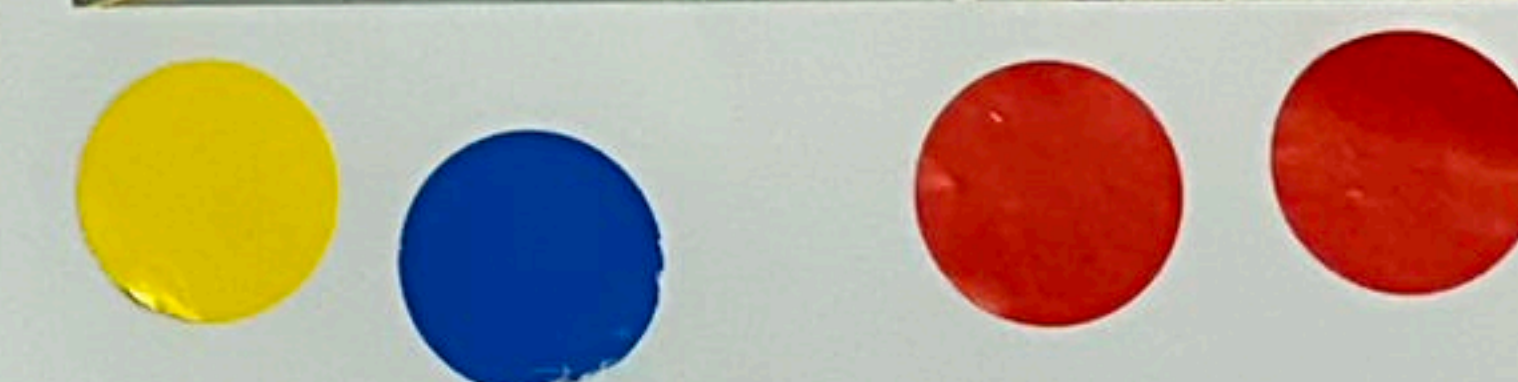

High-Visibility Crosswalk

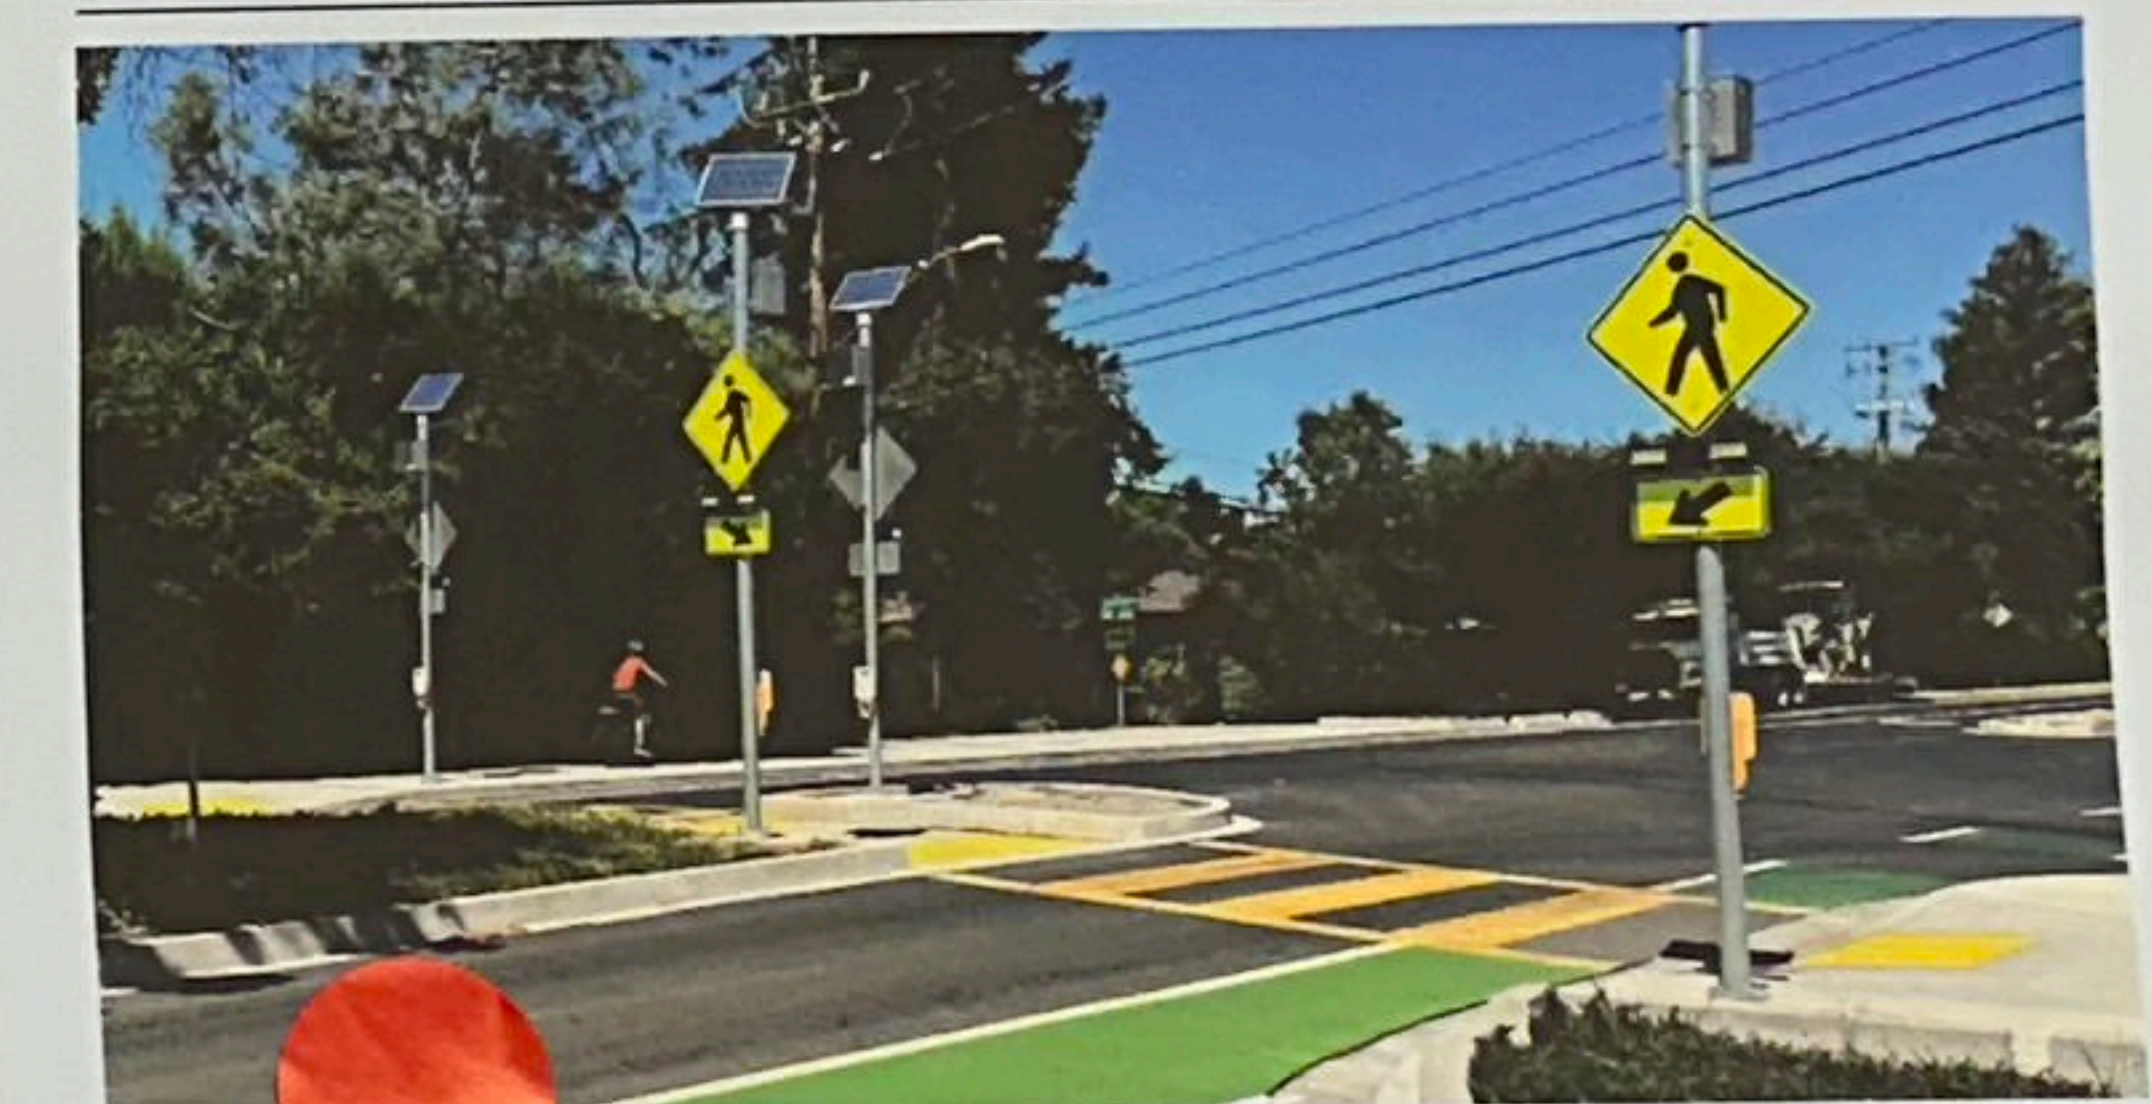

Median Refuge Island

Radar Speed Feedback

Rectangular Rapid Flashing Beacon

Place sticky notes here with additional feedback!

Many drivers are reckless and seem to be unaware of pedestrians and bicyclists. Any improvements to see them safe would be great. Especially students.

Crosswalks across Moraga Rd should have the crosswalk lights @ Contry Club Dr

Walkway on Moraga Rd from Country Club Dr. to Moraga Hwy to connect it to light w/ crosswalk. Currently have to walk on road or bike lane

Would love to see more options for walking/biking in Moraga + related safety features.
